

## Lippincott Advisor App

1. Connect your personal smartphone or tablet to [Unitec wifi](#).
2. Download the **Lippincott Nursing Advisor** app from your App store
3. Select **Institutional Users**
4. Select **IP Authenticate**

A screenshot of the Lippincott Advisor app's Institutional User Login screen. The screen has a blue header with the Lippincott Advisor logo on the left and the Wolters Kluwer logo on the right. Below the header, the title "Institutional User Login" is displayed. A paragraph explains that the app provides content access for existing institutional subscribers. Another paragraph instructs users to contact their facility administrator if they don't have an account. Below this, a prompt asks subscribers to login with their facility Username and Password. There are two input fields for Username and Password. A "Remember me" option with a radio button is below the password field. A large blue "Login" button is centered. At the bottom, there are links for "Cancel", "IP Authenticate" (which is circled in blue), "Active Directory", "Athens Login", and "Other Institutions".

### Institutional User Login

This version of the application provides content access for existing Lippincott Advisor institutional subscribers only.

If your facility currently subscribes to Lippincott Advisor and you do not have a user account, please contact your facility's site administrator or Clinical Education department to request a general user account.

Subscribers: Please login with your facility Username and Password:
