

## Lippincott Procedures App

1. Connect your personal smartphone or tablet to [Unitec wifi](#)
2. Download the **Lippincott Procedures app** from your App store.
3. Select **IP Authenticate**

The screenshot shows the "Institutional User Login" page of the Lippincott Procedures app. At the top, there are logos for "Lippincott Procedures" and "Wolters Kluwer" with the tagline "When you have to be right". Below the logos is a blue header bar with the text "Institutional User Login". The main content area contains a paragraph explaining that the application provides content access for existing institutional subscribers only. It also provides instructions for users who do not have an account or are not currently subscribed. Below the text are two input fields for "Username" and "Password". There is a radio button labeled "Remember me". At the bottom, there is a blue "Log In" button. Below the button, there are links for "IP Authenticate", "Active Directory", "OpenAthens", "Other Institution", and "Password Help". The "IP Authenticate" link is highlighted with a yellow background.
